Bububu Region 8 Bedrooms House For Sale

USD\$397,026

This gorgeous real estate listing in the sought-after Bububu region is less than 200 meters from the beachfront.

With main road access, 5 stunning balconies, electricity, and government water, this property is truly a gem.

Each room is fully equipped with all the comforts of modern living, including ceiling fans, hot water heaters, and air conditioning units.

And with a local Zanzibari owner holding all necessary title and ownership documentation, you can rest assured that you're in good hands.
